ORDERING INSTRUCTIONS

Edson specializes in "Sudden Service" with most orders being shipped within 48 hours of their receipt. When requested, many orders can be shipped the same day they are received if the order is placed before 12 PM EST. Special or custom orders may take longer. Please print all information clearly and completely. Please specify the quantity, part number, size and description of each item you are ordering. We recommend that you provide Edson with the boat type on which the equipment is to be used. Please note special sizes, finishes, etc.

ORDERING BY MAIL

Use your own purchase order. Be sure to specify by whom the order is made and to whom you would like it shipped, along with the respective billing address. Specify quantity, part number, and size, other information and price. With wheels over 48" diameter and other large items, your shipment has to go by truck. Total your order, add shipping charges, and enclose payment or credit card (Visa or MasterCard) information (card #, card holders name as listed on the card, billing address and exp. date) or your Edson account number. Please sign your name and furnish us with your daytime phone number so we can call if there is a question.

SHIPPING INFORMATION

Please provide Edson with your email address. We will automatically provide you with shipment details and tracking numbers promptly. Unless otherwise requested, orders will be shipped via Fedex Express Saver. Packages over certain dimensions carry an extra oversize charge. Shipment can consist of several packages and they may arrive on different days. Please wait before reporting a shortage. All freight charges will be added to your order. All shipments including ground are by DIM which ever is greater

Overnight and 2nd Day Air

Freight is charged by dimension, not weight. Please contact Edson for the cost of shipping your package by air. Since package dimensions may differ depending on the products ordered at one time, pre-shipment quotes are estimates only. For Next Day Air, orders must be placed by 12 noon Eastern Time.

Important Ordering Information

1. PEDESTALS

The standard pedestal height is 28". For all other special pedestal heights add \$75.00 and two extra weeks for delivery. The pedestal height is measured from the base to the center of the wheel shaft. Even heights only.

2. WHEELS

- A. All steerers are shipped less the wheel; order wheels separately.
- B. All leather-covered wheels, teak wheels and teak rim wheels are custom made and are nonreturnable.
- C. Wheels over 48" are too large for FedEx or Parcel Post. They must be shipped via truck or air freight.

3. WHEEL SHAFTS

The standard shaft is tapered as of Jan. 2002.

- A. All steerers will be furnished with the standard "A" dimension wheel shaft length unless otherwise specified. Custom lengths may be available for an additional \$120.00.
- B. Special length wheel shafts for traditional steerers (wormgear and rack&pinion) are \$87.00 plus \$9.00 per inch longer than standard.

5. WHEEL NUTS

As of February 1, 1993 all wheel nuts are Stainless.
In 1979, all Edson wheel shafts switched from 3/4"-10 to 1"-14 threads.
All tapered shafts are 5/8"-18.

6. ENGINE CONTROLS

Many engines have different transmission designs. Be very careful in matching the proper Edson control to the corresponding engine control cables and transmission clutch throw (specified by the engine maker).

7. MEASURE CAREFULLY

Products that are custom made, machined or bored to your specification are not returnable.

4. RUDDERPOST MEASUREMENTS

- A. For all Quadrants, Radial Drive Wheels, Rapid Drives, Rack & Pinions, Worm Steerers, and Tiller Arms, pilot bores will be furnished unless we have the specific rudderpost measurement and keyway position (furnished by the buyer).
- B. To match your rudderpost size Edson's service of drilling, reaming and keying is included in the price of the Quadrants, Radial Drives, Worm Steerers, Rack & Pinion Steerers, and Autopilot Tiller Arms when the following common sizes are specified.

Once bored, they are nonreturnable.

Standard Bores:

1"	1 1/8"	1 1/4"	1 5/16"	1 1/2"	1.660"	1 3/4"

For custom bores not noted above see #946 on the price page. This includes custom size bores, square bores, set screws, etc. This is for all Radial Wheels, Quadrants, Tiller Arms and Rack & Pinions. **Items with Custom Bores are nonreturnable.**

C. Solid Hub Quadrants and Tiller Arms, see Part #946-900 for additional charges.

8. QUOTES ARE FIRM ONLY WHEN IN WRITING AND VALID FOR 30 DAYS, UNLESS NOTED OTHERWISE. VERBAL ESTIMATES ARE FOR INDICATIVE PURPOSES ONLY.

THE EDSON LIMITED WARRANTY

The Edson Corporation ("Edson") warrants to the original consumer purchaser of this product, that it is free from defects in materials and workmanship. Edson's responsibility is limited to repair or, at Edson's election, replacement of any defective product and does not include any charges for removal, reinstallation, or incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Expiration: This warranty and any implied warranties shall expire one (1) year from the date of purchase; provided, however, that if any product is used for any commercial activity, this warranty shall expire ninety (90) days from the date of purchase. Some states do not allow limitations on how long an implied Warranty lasts, so the above limitation may not apply to you.

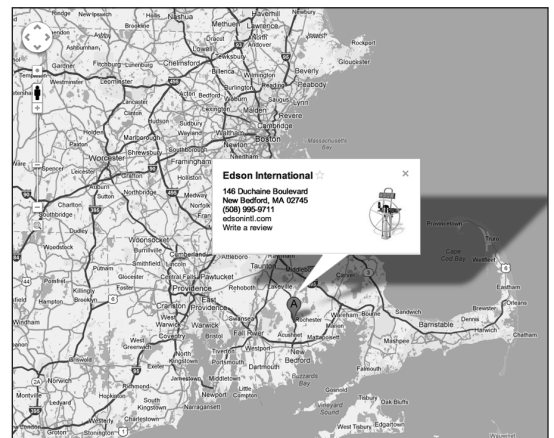

Exceptions: *The above warranty does not apply:* to metal finishes or coatings; to a product not installed or maintained following Edson's instructions, damaged by casualty or improper use, repaired or modified by other than Edson personnel, installed in a vessel or manner judged by Edson to be an inappropriate application of its product, or used with other products incompatible with the Edson product or which adversely affect its performance or durability.

Claim Procedure: (1) Immediately upon purchase, complete and mail to Edson the Owner Information Card accompanying Edson's equipment, if any. (2) Immediately upon discovery of any apparent defect, notify your vendor, the builder of your boat, or Edson, describing such defect; (3) The Vendor, boatbuilder or Edson shall make a preliminary determination as to whether a warranty claim is justified and, if so (4) upon request, Edson shall authorize return of the product. *NO product shall be returned until authorized by Edson.* (5) After such authorization, return the product, freight prepaid, with proof of purchase, if no owner information card has been filed with Edson, to: The Edson Corporation, 146 Duchaine Blvd., New Bedford, MA 02745. (6) If found defective, Edson shall repair or replace the product and return it at Edson's expense if destination is within continental U.S.A. or, if not, or if special freight required, at owner's expense.

Other Rights: This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

VISIT EDSON!

The Edson Corporation extends its invitation for you to visit the Edson Factory. Edson's Customer Service and Engineering department would be happy to review your design plans for both Edson Steering and Pumps. For "Sudden Service" Edson stocks most everything listed in the catalog. When stopping by to pick up your Edson Steering equipment, accessories and bilge pumps, pay a visit to New Bedford's Whaling Museum and Waterfront Historic District.

Edson is located off Rt. 140 in New Bedford's Business Park. Turn off exit 7, Braley Rd.
